II SITDRONE AIR & SPACE

PERU 2024

INTERNATIONAL AIR, DRONE AND SPACE EXHIBITION

Welcome to the II SITDRONE AIR & SPACE!

The **PERUVIAN AIR FORCE** after the success of the I SITDRONE PERU, will hold the second edition of the event that will bring together experts, enthusiasts and professionals, at the facilities of the Las Palmas Air Base, in the beautiful city of Lima. For four intense days, we will explore the exciting world of aviation, drones and space technology.

The II SITDRONE AIR & SPACE is a dynamic platform that connects industry leaders, academics, researchers and entrepreneurs in an environment of innovation and collaboration.

COMMERCIAL PLATFORM

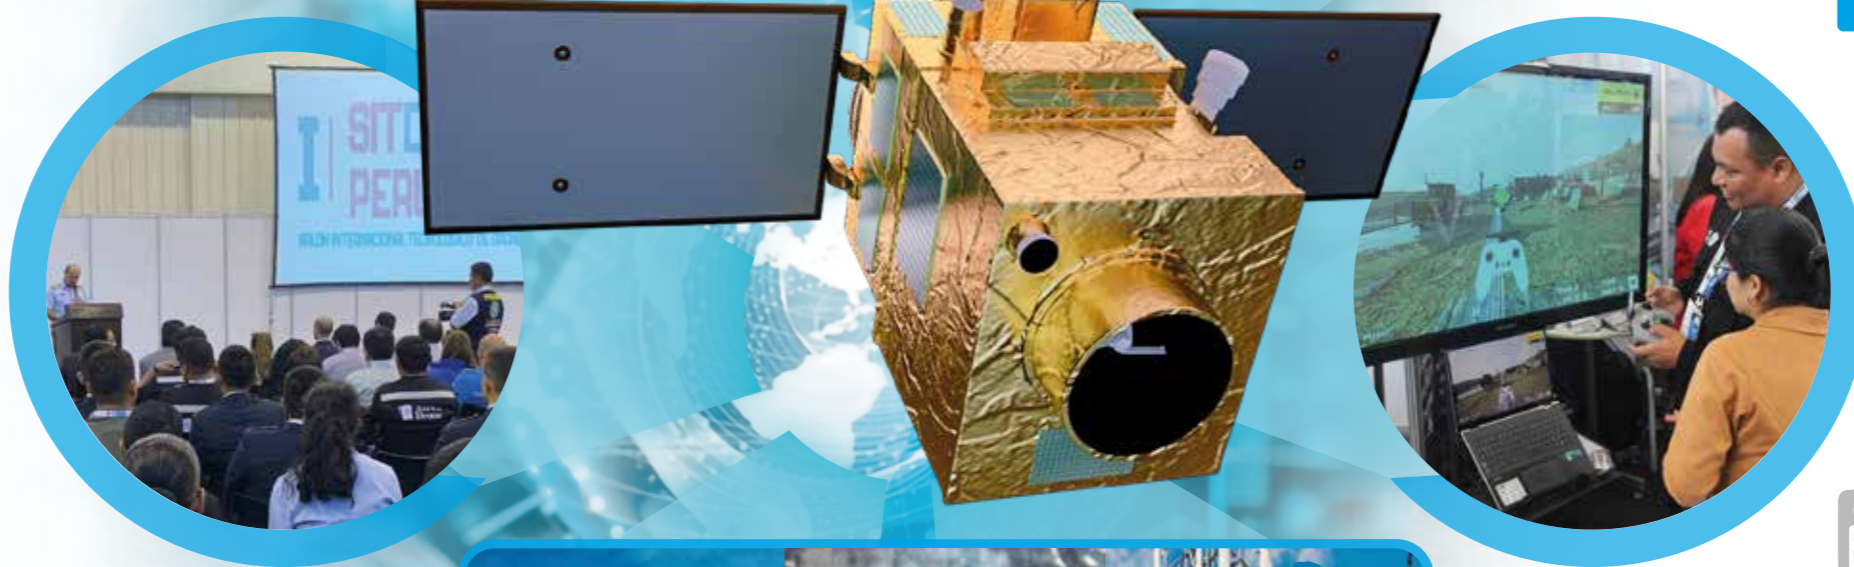

Unique important event, which will allow exhibitors to establish commercial relationships and strategic collaborations with the highest authorities of the aeronautical and space sector in the region.

Excellent opportunity to strengthen your brand, seeking commercial opportunities with other companies in the sector through technological exchange in order to attract potential investment clients and business partners.

The event will feature important conferences, seminars and panel discussions where industry experts will share their knowledge, experiences and trends.

Top-level international delegations will attend the event, especially from our region.

Live demonstrations.

¿WHY PARTICIPATE?

- All stakeholders in one place.
- Development of sector relationships.
- Learn about the latest technology.
- Boost your projects at a regional level.
